 The inward motivations of a Christian. These are the basic gift motivations / inward drives that every born-again Christian has operating in their heart. Every Christian has at least one or more of these operating in their lives.

**Described in Eph 4:11**  
 First, there are the 5 "Ministry Gifts" described which are appointed by God to "equip the saints for ministry"  
**Then in Eph 4: 12 & 16**  
 These are opportunities/ needs of Christian service (the "work of the ministry") for the "saints" to do.

**Described in 1 Cor 12:7-11**

## SUMMARIES AND DEFINITIONS

### 3.1. A SUMMARY OF THE SEVEN MOTIVATIONAL GIFTING

**Rom 12:3-8** <sup>4</sup>Just as each of us has one body with many members, and these members do not all have the same function, <sup>5</sup>so in Christ we who are many form one body, and each member belongs to all the others. <sup>6</sup>We have different gifts, according to the grace given us. If a man's gift is **prophesying**, let him use it in proportion to his faith. <sup>7</sup>If it is **servicing**, let him serve; if it is **teaching**, let him teach; <sup>8</sup>if it is **encouraging**, let him encourage; if it is **contributing to the needs of others**, let him give generously; if it is **leadership**, let him govern diligently; if it is **showing mercy**, let him do it cheerfully.

#### 1. Prophecy

People with this gift have a more intuitive sense about where people really are in God. They are able to discern the inner attitudes and motives of people in a way that others do not. The basic tendency of this gifting is to view any person, group or situation in light of their life before God.

**Their counsel will help you** to keep you pure and well reveal motives and actions which are not Godly.

#### 2. Service

The gift of a serving motivated person is best displayed through deeds rather than words. For this reason they are gifted with their hands and equipped with physical stamina, often disregarding their own weariness. They have special insight into what needs to be done. A person motivated for service will just keep going until the job is done. When they recognize a need, they are there to meet it and they want to see the job done immediately.

**Their counsel will help you** to see areas of service which you overlooked and attitudes of ungratefulness.

#### 3. Teaching

Teachers tend to believe that their gift is foundational to other gifts. Teachers love to read and study, and they place great emphasis on the accuracy of facts and words. They may get more joy in doing research than in giving out the material.

**Their counsel will help you** to see the biblical inaccuracies of statements or conclusions that you have made.

#### 4. Exhorting / Encouraging

This is a strong life-related gift, which draws on experience. Unlike the teacher, truth is truth for the exhorter, whether it comes from the Bible or from experience. In fact the exhorter needs to confirm the truth of Scripture from practical experience. When they speak, they need the full interest and intention of every listener, as the person is the focus of their gift. It is the gift of encouragement to personal progress.

**Their counsel will help you** to pinpoint causes of problems and take steps towards a solution of those problems.

#### 5. Giving

The gift of giving can be seen as a gift of “special sharing”. The real motivation behind givers is the support of others. One always feels the strong support flowing out of this gift. People who have a strong giving motivation are not gullible; they have insight regarding when and whom to help. This gift is not restricted to the wealthy as finance is only one of the many concrete expressions of this gift.

**Their counsel will help you** to reveal the unwise use of assets (eg. with budgeting, financing etc.), and encourage you to give liberally to God's work.

#### 6. Ruling / Administrating

The gift of ruling and administration depicts one who gives leadership by working with and through others. Unlike those who have the gift of serving, leaders do not take joy in doing the task themselves. They motivate and inspire others to a common goal. They help the body to define and carry out its goals by providing leadership.

**Their counsel will help you** in pointing out mismanagement of time or procedure in accomplishing goals. We all need vision, purpose and goal. They help us to remain focused and provide well organised leadership.

#### 7. Mercy / Compassion

Compassionate people are ‘feelers’; they are very sensitive people. This gift encompasses compassion, pity, gentleness and forbearance. It aims at helping people by empathizing with them and doing good things for them. Their special gift is to ‘feel’ an ache when a person has a heart-ache, hurt, anguish and fear. They can identify it and begin to minister into the situation.

**Their counsel will help you** to discern areas where others may be hurting and the need for sensitivity.

### 3.4. SUMMARY DEFINITIONS OF THE NINE “MANIFESTATION” GIFTS OF THE HOLY SPIRIT

**1 Cor 12:6-13** <sup>6</sup>There are different kinds of working, but the same God works all of them in all men. <sup>7</sup>Now to each one the manifestation of the Spirit is given for the common good. <sup>8</sup>To one there is given through the Spirit the **message of wisdom**, to another the **message of knowledge** by means of the same Spirit, <sup>9</sup>to another **faith** by the same Spirit, to another **gifts of healing** by that one Spirit, <sup>10</sup>to another **miraculous powers**, to another **prophecy**, to another **distinguishing between spirits**, to another **speaking in different kinds of tongues**, and to still another **the interpretation of tongues**. <sup>11</sup>All these are the work of one and the same Spirit, and He gives them to each one, just as he determines. (NIV)

#### THE VOCAL GIFTS

1. **Prophecy** is “SPEAKING THE MIND OF Christ by the inspiration of the Holy Spirit.” It is a supernatural utterance in a known language; a message that God chooses to give through one of His children in a language known to the speaker and easily understood by the hearers.
2. **The Gift of diverse kinds of tongues** is a supernatural utterance by the Holy Spirit in languages never learned by the speaker, nor understood by the mind of the speaker, nor necessarily always understood by the hearer. (Not to be confused with personal “speaking in tongues” to God by the Spirit).
3. **The Interpretation of Tongues** is the supernatural interpretation by the Spirit of the meaning of an utterance in other tongues.

#### THE REVEALING GIFTS

4. **The Gift of a Word of Knowledge** is the supernatural revelation by the Holy Spirit of certain facts in the mind of God concerning things past or present.
5. **The Gift of a Word of Wisdom** is a supernatural revelation by the Holy Spirit concerning the divine purposes in the mind and will of God concerning the future.
6. **The Gift of the Discerning of Spirits** gives insight into the spiritual world. Discerning between good and evil. (Not the gift of suspicion!).

#### THE POWER GIFTS

7. **The Gift of Faith.** Those who possess the gift of faith believe God in such a way that He honours their words or actions as His own and miraculously brings it to pass. It is a "special" faith for a special project, need, or crisis that God delivers to His children to give them the special confidence and courage they need to do what needs to be done.
8. **The Gift of the Working of Miracles** is the supernatural intervention in the ordinary course of nature, a temporary suspension of the accustomed order through the Holy Spirit.
9. **The Gifts of Healings** operate through individuals used of God to pray for particular illnesses, with the result that these illnesses are healed. The purpose of the gifts of healings is to deliver the sick and to destroy the works of the devil in the human body.

**Session content:**

- 4.1 Using your gifts...
- 4.2 Bringing the gifts of the Spirit to the church...
- 4.3 Discerning Personal Prophecy
- 4.4 Stirring up your gifts...

**4.1 USING YOUR GIFTS**

**Rom 12:56** *So we being many are one body in Christ and everyone members one another. Having then gifts differing according to the grace that was given us, let us use them*

**1 Peter 4:10-12** *Each one should use whatever gift he has received to serve others, faithfully administering God's grace in its various forms. <sup>11</sup>If anyone speaks, he should do it as one speaking the very words of God. If anyone serves, he should do it with the strength God provides, so that in all things God may be praised through Jesus Christ. To him be the glory and the power for ever and ever. Amen.*

**How are you "S.H.A.P.E.D." for your current service?**

What is missing for you?

- What needs/opportunities to serve are there around you/in church life?
- Where does need and your SHAPE intersect?
- Be willing to surrender your "D" for the "C" (Church).
- Be prepared to start small.
- "Be faithful with little."
- "Carry your cheese."
- Develop/grow your gift. Be specific in the input you get.
- Remember: Character is foundational to Gifting – see qualities in Acts 6:17
- Remember: "Your gift makes a way for you." Prov 18:16
- Remember: "Promotion comes from the Lord." Psalm 75:6

**4.2 USING YOUR GIFT AT CHURCH**

**1 Cor 14:26, 40** <sup>26</sup>*What then shall we say, brothers? When you come together, everyone has a hymn, or a word of instruction, a revelation, a tongue or an interpretation. All of these must be done for the strengthening of the church."...*  
<sup>40</sup>*Let all things be done decently and in order."*

- "Each" includes YOU!
- "When you come together" is not only at a Sunday service.
- Understand the difference between prophesy and exhortation / encouragement.
- Bring it in an attitude of submission 1 Cor 14: 29 "...let the others judge."
- Remember, its about the body, not about you. Know the "order" in the particular setting. Who is leading/responsible/in authority?
- We don't do weird!
- Remember: We prophecy in part, we see dimly as in a mirror 1 Cor 13: 8-10.
- When bringing a word to an individual, try to have a witness, definitely if to someone of opposite sex.

#### 4.3 DISCERNING PERSONAL PROPHECY

**1 Tim 1:18-19** <sup>18</sup>*This charge I commit to you, son Timothy, according to the prophecies previously made concerning you, that by them you may wage the good warfare, <sup>19</sup>having faith and a good conscience, which some having rejected, concerning the faith have suffered shipwreck...*

- Personal prophecy is biblical
  - Biblical New Testament prophecy should be tested according to the elements of:
  - Is it consistent with Scripture? (If not, chuck it out).
  - Does it “strengthening, encouragement and comfort”?  
1 Cor 14:3 (If not, test it thoroughly)
  - Is there peace/a witness/ agreement (If not, put it on the shelf).
  - Is it confirmation or revelation? (If its only revelation, wait for further confirmation).
  
- Be careful of prophecy with
  - specific timings.
  - Words that involve specific other people, and their free wills...
  - Running after prophecies...
  
- If you do have a sense of a prophecy, hold on to it, always in submission to Gods word.
  
- Paul to Timothy: Wage a good warfare by the prophecies made over you...

#### 4.4 STIRRING UP YOUR GIFTS...
